

Tips for Staying Safe in Severe Spring Weather!

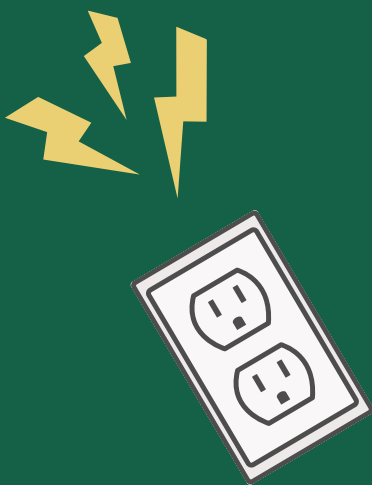

WHEN THUNDER ROARS, GO INDOORS!

Move from the outdoors to a building or vehicle with a roof.

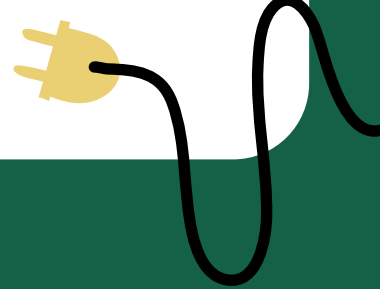

PAY ATTENTION TO ALERTS AND WARNINGS

Pay attention to authorities and weather forecasts for information on whether it is safe to go outside and instructions regarding potential flash flooding.

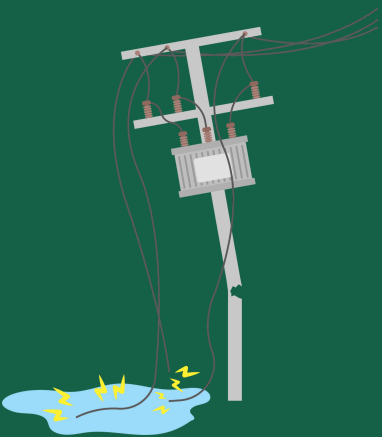

STRENGTHEN YOUR HOME

Consider buying surge protectors, lightning rods or a lightning protection system to protect your home, appliances and electronic devices.

TURN AROUND. DON'T DROWN!

Do not drive through flooded roadways. Just six inches of fast-moving water can knock you down, and one foot of moving water can sweep your vehicle away.

STAY SAFE AFTER STORMS

Watch for fallen power lines and trees. Report them immediately.
