

Wood Pallet Disposal Changes

Effective April 1, the Alpha Ridge Landfill will be charging **\$80/ton tip fee** for wood pallets. Pallets will **no longer be accepted** in the Woodwaste area for mulching. Loads will be directed to the Waste Transfer Station for disposal. The change is a result of the market place no longer accepting mulch containing pallets.

Below is a list of companies that accept pallets for recycling and reuse:

King Pallet - kingpallet.com

Edrich Lumber, Inc. - edrichlumber.com

Frank's Pallets Service - frankspallets.com

Peter's Pallets - peterspallets.net

Valleywood Industries - **(410) 488-5500**
